“ Ona was a caring and kind person. Working with her a short time many years ago, I was inspired by her work ethic and her creativity. She was beautiful inside and out, and my life was made better because of her.

I pray for comfort for the family and friends she leaves behind.

“ Sis Ona was a founder of the Good Shepherd Independent Church. We held our first service in her living room. Over the years we shared many memories in and out of the church. You are a very precious lady and will always be in my heart. Enjoy heaven for a little while and we will see you soon.
